Seminar for Students: Home Alone

Description:

On October 4, from 6:45-7:45 p.m. we will be offering a Home Alone seminar for children ages 8-11 (third through fifth grade). The class will be led by a staff member from Montgomery General Hospital. This class will help prepare children to spend brief periods of time at home alone. Some of the skills they will talk about include: answering the door, telephone use, calling 911, basic first aid. Students will keep a printed book with information they can refer to at any time.

Details:

Only 20 students will be able to attend this seminar. The cost for each child is \$17 for PTA members and \$22 for non-PTA members. This program will take place during the PTA meeting. **A parent/guardian must remain at the PTA meeting at all times during the entire Home Alone Seminar.** This is a significant savings for our Gibbs ES families (The normal price, when taken at Montgomery General, is \$35 per child.). Please contact Jen Sengbusch (jsengbusch@verizon.net) for further information. If there is significant interest we may be able to offer this class again in November.

Registration process:

1. Sign up using the Sign Up Genius link, which will be emailed to everyone on JBF this Wednesday, September 14 at 5:00. (One space per child; this registration is private, only you and the administrator will be able to see the names.)
2. Please print and complete this registration form.
3. Send payment (cash or checks made payable to Gibbs ES PTA) along with completed form back to school no later than September 20.
4. **IMPORTANT:** Your payment and completed form must be turned in by September 20th, or your space will be given to someone on the waitlist. Thank you.
